Brushed Stainless Steel, INSP-SS

Get Inspired

The Inspiration Fireplace is like no other fireplace you've seen. It is the **first ever UL listed gel-fueled fireplace** and is also one of the most economical fireplaces on the market today.

This versatile, easy-to-use fireplace can be installed anywhere you want – indoors or out. In just a matter of minutes, you will have a beautiful dancing flame and a warm, cozy fire.

Get inspired today with the Inspiration Fireplace.

Lighting the Inspiration gel-fueled fireplace

1 Place thumbs on sides and apply pressure to pull open drawer.

2 **Tear off gel fuel label**, pop open lid, place in drawer and light with a match or lighter.

3 Wait 10 seconds for flames to rise, close drawer slowly.

Inspiration Fireplace on outdoor patio.

What is Gel Fuel?

Gel fuel is an environmentally friendly, non-toxic fuel that is safe to burn indoors or out. Gel fuel crackles just like a real fire! Each can burns up to 80 minutes and provides up to 9,000 BTUs of heat. Gel fuel is available through your local dealer or at outdoorrooms.com
